Learn from the world’s best education researchers, theorists, and staff developers as they present recommendations on effective instruction. The book provides a comprehensive view of instruction from a theoretical, systemic, and classroom perspective. The authors’ diverse expertise delivers a wide range of ideas and strategies.

*On Excellence in Teaching* is the fourth book in the Leading Edge™ series. The Leading Edge™ series unites education authorities from around the globe and asks them to confront the important issues that affect teachers and administrators—the issues that profoundly impact student success.
